It was discussed what would be needed to begin utilizing the clubhouse for parties and such. We would require a legal contract; probably need to look at updating the back steps; check insurance needs and obtain contracting language. We would consider a member rate and a non-member rate.

We have a light out by the gate and on the clubhouse.

Frank called about a letter he received from the Commonwealth of Pa-Legion Insurance Company. A past officer had invested money for the club and the company went Bankrupt the following year. The company has been in Bankruptcy for 17 years. Approximately \$764 was invested. We are a class E claimant which means that we will not be getting a return of that money.
