New Business : We are looking to schedule a CCW class at the club once the weather breaks. Dates are to be determined.

Renewal applications were issued out at the end of January. Please return your applications by February 28th. No change in fees due to the anticipation of acquiring land.

New Business: Please consider chairing a committee.

The lights at the gate and clubhouse were replaced with LED lights. Thank you to those that fixed the lights.

In January, Wally Sadowski proposed a Bylaw change to the constitution of the club reducing the required meetings from 2 down to 1. We will retain the meeting date of the First Tuesday of the months as that is the Business Meeting in the Constitution, if approved. This was read at the February 5th and February 21st meetings. This will be addressed at each meeting and posted in the newsletter until the vote in March. If approved this will be applied in April.

New applications read at the February 5th meeting and again at the February 21st meeting and voted in at the Feb. 21st meeting.
