Old Business :

Wally proposed an incentive program for those that step up to chair committees. Under this proposal, a set of stipulations and performance standards will need to be met. Meeting attendance (at least 1 meeting per month) will be required. Committee chairs will be given a free membership for the time that they are chairing the committee (as long as performance standards are met.) D.Scarsella and Wally Sadowski made a motion and passed with one opposition. This is implemented on a trial basis for a year and will be voted on again next year. Standards not finalized yet and will be posted once finalized.

All tree cutting to be run through committee chair: Dave Scarsella Jr. (330-383-0051). Will wait to Brush Hog until Tibor Laktos comes to the club.

New Business:

Old Tree Stands will be removed in a work party after the First of the Year. If you have an active tree-stand, your member name, number and phone number must be visible. All active tree stands are to be removed by the end of February. The club will be collecting unused or old tree stands after that date and will be used for scrap and the \$ will go towards the purchase of a new swing set.

Game Feast scheduled for Sunday, February 25th at 3:00 PM. This will be a standing event at the club for the last Sunday in February.

Tibor Laktos will be made an honorary member as he will be in contact with the company that has purchased the land that we lease.

Membership letters were mailed out this week. Please return those by March 1, 2018.

Motion was made and all in favor vote to send Rebecca Ward a gift as she spoke up for our organization, continue the lease, maintain the land to the new owners. Jennifer will send a \$50-\$100 basket to her.

Sales tax was paid. \$19.43
