Old Business : **The property past the rifle range remains OFF LIMITS. This includes hiking, walking, fishing and running dogs. We will notify the club when this has been lifted.**

We are actively looking for land. Eric has outreached Paul Carapellotti of Anthony Mining regarding land usage lease. Both agreed that there were mutual benefits to both parties. Will continue discussion after the New Year. Awaiting a return communication. Dave Scarsella Jr. walked the area. If we retain this land, there will need to be work done to access the hunting area. Trash pick-up and moving of old logs. We will need to block off roads and may need to brush hog some of the areas. There are also a few ponds on the property with bluegill and bass in them.

New Business : We are looking to schedule a CCW class at the club. Dates are to be determined.

Renewal applications will be sent out this week. No change in fees due to the anticipation of acquiring land.

Game feast, the last Sunday in February, which is February 24th at 3:00 PM.

Wally Sadowski proposed a Bylaw change to the constitution of the club reducing the required meetings from 2 down to 1. We will retain the meeting date of the First Tuesday of the months as that is the Business Meeting in the Constitution, if approved. This will be addressed at each meeting and posted in the newsletter until the vote in March. If approved this will be applied in April.
