The Club is the proud owner of 30 Acres of property. The purchase price was \$1900 per acre totaling \$58,500. There will need to be a 4 corner survey conducted that will cost \$1500. We are looking into the price of surveying the property lines, which may cost more. Once this is completed we will have a day to walk thr property.

We can Hunt/Fish on the property but we MUST carry our membership card on us. There will be people on the property and they WILL ask for a card.

Tim McCain has requested to rent our range on January 23rd from 2-4 PM. He will pay \$5.00 Per person and waivers will be signed. All agreed that this was acceptable. All in favor vote to limit membership to 80 for the 2021 year to allow for time to survey and determine capacity for the new property. This will be re-evaluated for 2022. We currently have 68 members.
