**Old Business Continued:** Wally proposed an incentive program for those that step up to chair committees. Under this proposal, a set of stipulations and performance standards will need to be met. Meeting attendance (at least 1 meeting per month) will be required. **Committee chairs will be given a free membership** for the time that they are chairing the committee (as long as performance standards are met.) D.Scarsella and Wally Sadowski made a motion and passed with one opposition. This is implemented on a trial basis for a year and will be voted on again next year.
